---

ALL KINDS OF BAG MANUFACTURE  
AND EXPORTER .

# INTRODUCTION

---

- With more than 10 years of experience, Ratna Enterprises has been manufacturing various kinds of bags like handbags, travel bags, backpacks and laptop bags.
- 
- From our base in Delhi, we have been manufacturing high-quality bags that have become the top choice in the market. Our bags have various features that have made them very strong, sturdy and at the same time very stylish and trendy looking.
- 
- The bags have been coated on the inner side with waterproof linings to make them suitable to be carried around even in rainy weather. Every bag has been featured with numerous pockets to make them heavy-duty. The zips that have been used are of the highest quality and designed to last a long time, unlike other bags. Our bags are extremely hardy and durable.
-

- 
- 
- We even cater to customized orders from all over the country. We are a very flexible company taking orders of any quantity. All we are concerned about is the satisfaction of our customers that we have been able to meet. That we are a very customer-oriented company is evident in our annual turnover. It speaks of the customer base that we have retained over the years because of the service that we have rendered to them.
  - 
  - The raw materials that we use are very eco-friendly and strong, to give the bags longevity that is incomparable in the market. And Mr. Ravikant Pathak has ensured that we maintain our quality which is our USP.
